

Marhamchurch Food Fair

Report to Marhamchurch Parish Annual Parish Meeting

We were disappointed that the annual Food Fair was unable to take place in 2020, particularly as we were planning a themed VE Day event with dress and displays on the VE Day theme.

We had a number of disappointed food stallholders who had been particularly excited about dressing up in period style! There were other activities planned, all to no avail.

Which makes the committee even more determined that at some stage in 2021 we WILL have a Food Fair, Government regulations permitting. Watch this space!

(The proceeds from this year's event will be distributed around the community to worthy causes)
