

## **Marhamchurch Revel**

The Revel always take place on the first Monday after the twelfth of August as is the Tradition.

It always begins with the crowning of the Queen by Old Father Time by the War Memorial where it is stated that St Marwenne had her cell.

This is always followed by the Queen riding on a horse down to the Revel Field. Where you will find favourite stalls and some new/different ones. Morris Dancers entertain us, an Ukulele Band play and a children's entertainer called Entertainingly Different entertains the children alongside the Children's Sports which concludes with a Tug of War. Cream Teas are always served in The Bray Institute. The end of the afternoon finishes with the Grand Draw.

In the evening The Pram Race is run around the village, after the prams have been judged.

This year we are looking at bringing back a Fancy Dress Competition.

All money raised goes back into the Community in the Village.

Grateful thanks must go to all who have contributed to this special day, those who have organised, those setting up and packing away, everyone who has given up the time to help on the day and those who have come along to support.

This year we have had to dismantle the Lean Too which was attached to the Revel Shed as it was very dangerous and had gone onto disrepair.
