

MARHAMCHURCH METHODIST CHURCH

The Church is continuing to thrive. We have had a sad year with the loss of 3 of our elderly members. Stan Willett who is missed around the village by so many. He was 98. Mrs Audrey Short was 98 and Mrs Phyllis Stevens was 94. We must live in a clean air village.

The hall has proved very popular for meetings etc. It is used regularly by the parish council, the W I, the Art Group, 1 choir, 3 different yoga instructors and the occasional workshop.

There is a board games afternoon held free of charge on the 3rd Monday of each month for anyone wanting some company and tea and biscuits. Everyone is welcome.

There is a community coffee morning held on the 1st Monday of the month from 10.00 – 11.30 and free. Everyone welcome.

We look forward to another year of being part of the lovely community of Marhamchurch village life.
